6319-43 Cafe Azul with Caspian Profile

Know the difference

FORMICA® LAMINATE	GRANITE & QUARTZ
√ Quick, light & easy install	• Install requires special tools & heavy lifting
√ Lowest surfacing price point	• Mid to high price point
√ Attractive with a wide variety of styles	• Attractive, though limited style offering
√ EliteForm Technology for best in class scratch resistance & durability	• Durable, but can scratch & chip (difficult to repair)
√ Simple & worry-free cleaning with everyday household cleanersy	• Requires special maintenance cleaners and sealing (granite only)
√ Does not promote bacterial growth*	• Vulnerable to bacterial growth (granite only)

* The melamine surface of laminate does not sustain microbes with regular cleaning.
