THE FORMICA® + HARTSON-KENNEDY® DIFFERENCE

Our project team delivers excellence at every step, ensuring your multi-family projects achieve the perfect balance of timeliness, cost efficiency, and superior quality.

- Dedicated team to help you with your project
- Expedited quote returns
- Submittals provided for architect's approval
- Blueprint software used for accurate estimates
- 2020 Design experience for cutting-edge solutions
- Material labeled with building and unit numbers for efficient installation
- Nationwide reach with multiple fabrication shops and dedicated shipping lanes allow us to ship coast to coast

Design possibilities are endless.

Simple kitchen renovations boost rental and sale rates anywhere from 10-30%.† Distinguish your properties with innovative surfacing materials and striking premium looks – like the popular extended backsplashes often seen in luxury kitchens. HK helps you maximize your budget with property features designed to impress and attract tenants.

Know the difference

FORMICA® LAMINATE	GRANITE & QUARTZ
✓ Quick, light & easy install	• Install requires special tools & heavy lifting
✓ Lowest surfacing price point	• Mid to high price point
✓ Attractive with a wide variety of styles	• Attractive, though limited style offering
✓ EliteForm Technology for best in class scratch resistance & durability	• Durable, but can scratch & chip (difficult to repair)
✓ Simple & worry-free cleaning with everyday household cleaners	• Requires special maintenance cleaners and sealing (granite only)
✓ Does not promote bacterial growth*	• Vulnerable to bacterial growth (granite only)

* The melamine surface of laminate does not sustain microbes with regular cleaning.
