Discover our **Acrylic Series**

Acrylic Series is an ultra-dense 100% pure acrylic resin. Combining its high-performance acrylic with an exceptionally strong reinforced fiberglass backing, the Karran sink is one of the most durable solid surface sinks available.

Discover our **Edge Series**

Finished with a European soft satin brushed finish, the Edge Series' elegant finish provides a luxurious look with the enhanced durability of a brushed finish. All double bowl Edge sinks feature a practical lowered bowl divider. The 300 Series models offer a traditional look, and the 400 and 500 series models provide contemporary style.
