

Hartson-Kennedy™

## PVC Edge Products

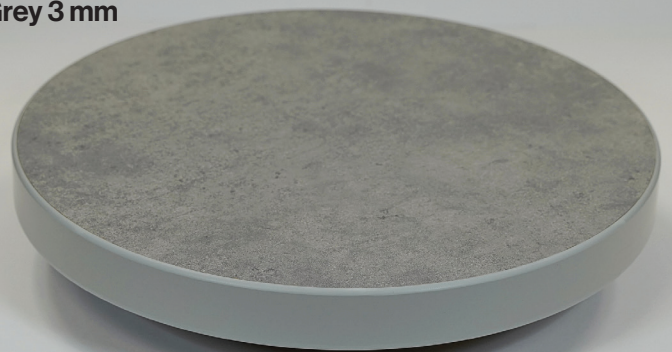

PVC Edge | Black 3 mm

Black 3 mm

Grey 3 mm

Our PVC edge products give you the same Hartson-Kennedy quality with a durable PVC edge for high-wear uses. For wear and tear projects in schools, nursing homes, apartments, or any variety of project needs, PVC edging is a great choice.

The possibilities are endless.

### Why PVC Edges are perfect for your next project:

- Various thicknesses available
- Two different color options
- Radius sizes 2"+
- Available for any laminate project

### In-stock Options

### Quantities and Lead Times

**Small quantities** can only be ordered with stock materials. If the PVC product order does not ship with other countertop orders, additional freight will apply. Small quantities will follow the same 2-week lead time as custom orders.

**Large quantities** with stock materials will follow the same 2-3-week lead time as project orders. You can order non-stock materials if they meet a certain volume.
