

Custom Butcher Block Countertops

Experience the Classic Look of Butcher Block

Transform any space in your home with beautifully crafted butcher block, blending practicality with classic appeal. Designed to add rich natural character and performance, select our custom butcher block surfaces to create a warm, inviting atmosphere that stands up to everyday use. Available in Acacia, Birch and Walnut wood species.

Why Custom Butcher Block in Wood?

- Inherently antibacterial
- Natural warmth and beauty
- Solid hardwood construction without fillers
- Easily join pieces
- Unmatched functionality, strength and stability
- Versatile uses: countertops, desktops, tables, workbenches and more

Wood Species Selections

All are 1.5" thick

ACACIA

Deeper hues with lighter accents

BIRCH

Subtle grain with light color ranges

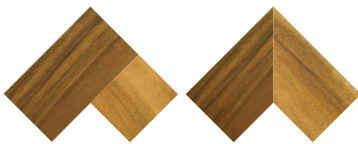

WALNUT

Darker brown with lighter golden tones

Custom Options

JOINTS

Butt-joint
(most common)

Miter-joint

EDGES

Eased

1/2" Bevel

BACKSPLASHES

FINISHES

DuraKryl®
(urethane-based
satin finish),

Mystery Oil
(a traditional food-
grade mineral oil)

Care & Maintenance

Clean using mild soap, warm water, and a sponge. To disinfect, use ONLY pure white vinegar or a mixture of two tablespoons of chlorine bleach in a gallon of water. Be sure to wipe with a cloth to completely dry the block.
