

Deadlines Don't Wait. Neither Do We.

Commercial projects don't wait, and neither should your materials. At Hartson-Kennedy, we help commercial fabricators stay on schedule with ready-to-install tops and value-added services that reduce labor strain, speed up production and keep projects moving.

Whether you're managing labor shortages, tight deadlines or multiple jobs, we're here to help you meet the moment and control the costs.

Built to Support Your Workflow

From casework and countertops to lab environments and cabinetry, Hartson-Kennedy helps you:

- Reduce in-house fabrication time
- Supplement skilled labor gaps
- Keep projects moving on tight timelines
- Deliver quality results your clients expect

BUILT FOR COMMERCIAL FABRICATORS

- Fabricated to your specifications
- Consistent quality, job after job
- Reliable turnaround times
- Competitive, project-friendly pricing

Fabricated Lab Tops

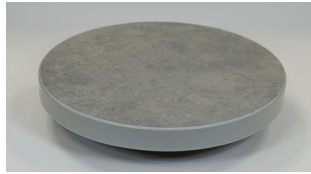

High-performance surfaces built for demanding environments.

- Manufactured with Trespa® TopLab, a durable, non-porous surface designed for laboratories, healthcare and education settings
- Resistant to chemicals, moisture and impact
- Fabricated to your exact specifications
- Available in: 1", ¾", and ½" thicknesses (solid black or gray)

PVC Edgebanded Tops

Durable, clean-finished tops, perfect for high use areas and commercial spaces needing an extra layer of protection, ready for install.

- Thicknesses: ¾", 1", 1 1/8"
- Lengths: 8', 10', 12'
- 3mm PVC edge (black or gray)
- Compatible with any Formica® décor
